

ROCKETRY ORGANIZATION OF CALIFORNIA
RELEASE AND WAIVER FROM LIABILITY

Please read carefully! This is a legal document which affects your legal rights!

This Release and Waiver of Liability executed at Lucerne Valley, California this _____ day of _____, 20__ by _____ (Hereinafter the "Participant") in favor of Rocketry Organization of California, United States Department of the Interior – Bureau of Land Management, National Association of Rocketry, Tripoli Rocketry Association, all approved onsite vendors, officers, members, and volunteers (collectively "ROC").

Rocketry is an inherently dangerous activity. Rules and procedures have been created to help make this activity as safe as possible. Everyone attending Rocketry Organization of California events is participating at their own risk and is responsible for following the rules and regulations of Rocketry Organization of California, National Association of Rocketry (NAR), and Tripoli Rocketry Association (TRA).

In consideration of being permitted to participate in rocketry activities with the Rocketry Organization of California, the Participant understands, and does hereby freely, voluntarily, and without duress execute this Release and Waiver under the following terms:

1. Agree to indemnify and hold harmless ROC from all claims, demands, liabilities, damages, costs and expenses that the Participant may now or hereafter have against them resulting from my participation in Rocketry Organization of California activities. This release applies not only to the Participant but also to my heirs and assigns.
2. Assume all of the risks, including property damage, injury, illness or even death and agree to follow the safety code, rules, and regulations of Rocketry Organization of California, NAR, and TRA. Participant recognizes and understands that participation in rocketry involves inherently dangerous activities.
3. Understand that ROC cannot be held responsible for the failure of other participants to abide by the safety code and rules and regulations of Rocketry Organization of California, NAR, or TRA.
4. Certify that the Participant has the necessary certification, experience, and training if operating high-power rockets.
5. Expressly agree that this release, waiver, and indemnity agreement is intended to be as broad and inclusive as permitted by the laws of the state of California and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.
